

Hospital Safety: Orientation –Dist. Hospital, Malappuram

KSDMA & UNDP partnered Hospital Safety Orientation programme held at Perinthalmanna (Malappuram) District Hospital on 22nd November 2019 – 02.00 PM. Participants from Medical, Non – Medical & Administrative Departments were attended the orientation. 38 participants actively attended the programme including those nominated for the State Level Hospital Safety & Hospital Disaster Management Plan workshop.

Hazard Analyst Mrs. Amrutha welcomed the participants and appreciated their interest to be part of the programme. Mr. Hari Kumar & Dr. Sarun from GeoHazards took the session related to Hospital Safety & Family Preparedness on disaster. The Participants clarified their doubts and concerns and shared their experience in handling disasters.

They also mentioned the issues and problems while handling disaster in & around the hospital. Recent disasters in the state makes the participants to think how they can perfectly manage any disasters if having a proper and a professionally prepared detailed hospital disaster management plan

Mr. Md. Mujeeb UR Rahman took a session on the need of hospital safety in our state. Dr. Vishnu, Superintendent of the Hospital concluded the orientation with vote of thanks.
